

ABOUT EURONEURO

EURONEURO is the leading interdisciplinary "and state-of-the-art" educational meeting for health care professionals in all aspects of neurosurgery and acute care of the brain.

Join EURONEURO 2012, and bring interested friends and colleagues.

The idea of the EURONEURO Meeting started 1997 at the department of Anesthesiology and Critical Care Medicine, Ziekenhuis Oost-Limburg (ZOL) Genk Belgium. EURONEURO has since then been held every other year and covers all aspects of neurosurgery (spinal surgery, craniotomy, aneurysm surgery, and ICU care of traumatic brain injury).

CONGRESS VENUE

Hall of Sciences ("Aula der Wissenschaften") / 1010 Wien / Austria or Old University Campus of Vienna General Hospital (originating 1782 / depending on funding and preregistration) www.aula-wien.at

Tentative Program Topic

The Aula der Wissenschaften is in a central location, only a few minutes' walk away from St. Stephen's Cathedral. It is thus in direct neighbourhood to a great variety of hotels, restaurants, bars, underground car parks, cultural institutions and shopping areas. The Aula der Wissenschaften is very centrally located and within easy and comfortable reach for guests of Vienna from all over the world. Several underground lines (U1, U3, U4), bus (1A, 74A) and tram (line number 2) converge in this area.

SOCIAL PROGRAM

Classic Concerts and Museums

The concerts take place in the Golden Hall of the Musikverein, where the famous Vienna Philharmonic Orchestra is performing the New Year's Concert which is broadcasted worldwide every year.

Pre- and Post-Meeting Vacations Ski resorts in Austria

Cut fresh tracks, or soak up the sun at the top of the world, the experience is waiting just for you Austria's Ski Resorts offer comfort, challenge and sheer exhilaration.
